

COACHING REPORT

The present coaching committee is Donald Forbes, Kathleen Shepherd, Jim Mathew, Robert Fyfe, Alisdair Mair, Ken Oliver, Willie McCutcheon and Tom Anderson.

2018 was a busy year for all of our coaches, Jim Mathew and John Stewart with their team of coaches delivered several programmes to a number of schools in their areas, they also attended Millhall fishery and Allandale Tarn to deliver coaching in the evenings to local scout groups.

Alisdair Mair and his team continue to run the Cormorants at the Lake of Mentieth several of the youths that attended this coaching programme have represented Scotland in the Scottish Youth Team

Swanswater fishery with the help of our coaching team will restart the Cygnets coaching programme. This was very successful in the past and I'm sure it will be again in the future.

An angling hub will be set up at Kingennie fishery to encourage all ages into game angling and fly-tying. This hub will be led by Kathleen Shepherd and a team of coaches and volunteers. This will start in March with an open day and taster sessions.

The above is only a few of the projects our coaches are involved in and importantly it should be noted none of our coaches receive any payment for their continuing hard work.

We are always looking for new coaches and volunteers so if you would like to join our hard-working team please contact us via the SANA office
