

## SANA Ladies 2019

It has been another challenging year for the SANA Ladies especially as there are no new younger ladies getting involved with competition angling.

### National Heats

This year the ladies held two national heats The first event was at Carron Valley and the second at the Lake of Monteith. The turn out was very poor for both events with only twelve ladies competing for the International Team. ( There is 12 in the team with 1 Reserve)

This year National heats are:

Sunday 21<sup>st</sup> June 2020 Carron Valley

Friday 4<sup>th</sup> September 2020 Lake of Monteith.

### Fund Raising.

Throughout the year the SANA Ladies have held several fundraising events which has been very successful. We would like to thank all the Fisheries and everyone who supported the events. It is very much appreciated. The monies raised was used to subsidise the ladies attending the International Fly Fishing Competition held at Draycots.

### Ladies International.

The Ladies International was held at Draycots England on Thursday 6<sup>th</sup> June. Unfortunately the team tactics did not quite go to plan with Scotland ending up in 3<sup>rd</sup> place with 18 fish. England finished in 1<sup>st</sup> place with 54 fish, Ireland in 2<sup>nd</sup> place with 28 fish and Wales in 4<sup>th</sup> place with 17 fish.

The 2020 Ladies International is at home and will be held at The Lake of Monteith on Thursday 28<sup>th</sup> May. This year the ladies do not have a manager as Ian Earle who managed the 2019 International is having to take a year out.
